www.Journeymenwrestling.com

Tournament Format

High School: Tournament is based on 32 teams on 8 mats, guaranteeing each squad a minimum of 5 duals, no matter what round they lose in the competition. All 32 teams will begin in the championship bracket. The 16 teams that lose in their first round will go into their own bracket for a separate tournament. The 8 teams that lose in the second round will do the same – creating their own tournament bracketing. When each team in their respective bracket has had two bouts, we will end up with four 8-team brackets and 32 teams will wrestle it out for their respective titles.

Youth: Pool format. 16 teams (Pool wrestling and then crossover matches against corresponding place finisher in other pools). 6 or 7 matches in all.

Seeding Only the top 12 teams will be seeded in the high school division. All other teams will be randomly drawn. The participating teams will now share in the seeding process. The head coach of each program will rank the top 12 teams. This will add into the seeding formulation. It is imperative that clubs indicate the most recent National, State or Sectional place finishing next to their name. Youth accolades need to be recognized, e.g., New England Champion in 7th grade... Youth or HS? Clubs will be separated based on this information to make two balanced brackets.

Weigh Ins • High School Returning champion has choice of weigh-in time. After that, first in, first choice. The teams that pay first and have been officially selected to compete will have choice of weigh-in time. This is a dual-meet event; therefore, everyone shows up and weighs in as a team. If you can't make your team's weigh in, you'll be assigned to the 7:00 a.m. Saturday, May 20 weigh-in period.
