

## Lions Den Fall Brawl Series

This will be a 4 tournament series where wrestlers will accumulate points throughout the 3 tournaments. The top 4 wrestlers in points at the end will receive an additional award. Wrestlers placing 1st - 3rd will also receive awards at the conclusion of each individual tournament .

Due to Covid restrictions each age division will have its own time slot in which they will be wrestling in. Wrestlers cannot enter or come to the facility until their given time for their respective division. Each wrestler is allowed 1 person to enter the facility with them to coach, (zero exceptions including parents , siblings , coaches etc ). Parents/ coaches will need to wear a mask if covid restrictions are still in placed partake in a brief health screening. Wrestlers will need to wear a mask except for when they are warming up and competing. Each person who enters facility will have their temperature taken. If a wrestler or person they arrive with has a fever , they will not be allowed to enter the facility and a refund will be given for that day. The facility will be cleaned between each Division. Each age division will be made up of (4) 4 man round robins , ensuring each wrestler gets 3 matches. Madison weights will be used. This is an honor weigh in tournament however, we have a check weight upon check ins and a wrestler must be within 2lbs of the weight they fill out on registration. If they miss weight they can still wrestle but will get no award or points for the day.

These tournaments are pre registration only , no walk ins ( no exceptions) . Once each division is full , it is full. If an age division is full but we have room in the age bracket above, a wrestler can move up to wrestle. Wrestlers can also compete in 2 divisions however they will only receive points for the day for 1 of them.
